Dear Theatre Advisor,

Newtown Arts Company, in partnership with the Newtown Theatre, is pleased to announce the second annual Newtown Student Theatre Festival!

Our first-ever festival held this past spring was a rousing success, attracting over 400 students from 16 area high schools, and received these rave reviews:

“Feedback was excellent and appreciated, both positive comments and constructive criticism.”

*Sally Vogel, Pennridge High School*

“This was our first time participating and our students took so much from the experience.”

*Thomas Weaver, Cherry Hill High School East*

“We had a great day and look forward to next year’s event!!”

*Gina Chiolan, Neshaminy High School*

We want to provide your students with another opportunity to hone their artistic abilities before theatre professionals as well as their peers, so we hope you’ll join us for an educational — as well as fun — experience. Attached you’ll find Production Requirements, Stage Specifications, and a Registration Form. The deadline for registration is **Friday, March 9**. A check or money order covering registration fees (\$40 per production) and tickets (\$15 per person), along with your play or musical title(s), must be submitted by **Friday, March 30**.

(over, please)

Ticket prices include an evening performance of the modern classic *Into the Woods*, presented by Newtown Arts Company. This Tony Award-winning musical, with music and lyrics by Stephen Sondheim and book by James Lapine, is a quirky tapestry of fractured fairy tales inhabited by cockeyed characters that portrays what happens after “happily ever after.” *Into the Woods* is beloved by young people worldwide.
