

## **Newtown Arts Company COVID procedures**

Thank you for supporting Newtown Arts Company. As we return for a full season of live shows in 2022, we are concerned about the health and safety of our audience, volunteers, cast and crew. At this time Newtown Arts Company will return to live performances with the following guidelines and precautions in place:

### **Proof of vaccination and masks are required**

Audience members are required to show proof of vaccination with ID or a negative Covid PCR test taken within 36 hours of the performance plus ID.

Acceptable forms of vaccine proof include:

- Physical vaccination card
- Photo copy of vaccination card
- Digital photo of vaccination card (be sure dates of shots and boosters are visible)

Audience members must wear masks indoors.

## **Actors, crew, staff, and volunteers must be vaccinated.**

### **Flexible ticketing**

If you don't feel well, please email us prior to the show at [tickets@newtownartscompany.com](mailto:tickets@newtownartscompany.com) to exchange your tickets for another performance, receive credit for a future performance or get a refund.

Our new ticketing system allows for contactless ticketing.

We will continue to evaluate the situation and follow the guidance of the CDC and PA Dept of Health
